HOW TO RETURN PRODUCT TO SELLER

1

Pack the item(s) and paste this return label on your parcel. Ship it back to seller within 3 days since seller accepts your return request.

2

Input Shipping information in Shopee App: Carrier Name, Tracking number and Shipment proof (photo of AWB, Shipping receipt, etc.).

3

Please allow time for the parcel to be delivered to seller. Once seller acknowledges receipt of returned item(s), Shopee will process your refund.
